SATURDAY EVENING, MAY 31.

THE MASTER MULE,-The other morning a couple of Virginia City miners were seated on a bowlder alongside the road to Sutro, discussing the kicking powers of the mule. One had just returned from Sutro and theother was on the way there, and having met near the rock they sat down for a talk.

"Have you quit over there?" said the one who was eastward bound.

"Yes." "Wby ?"

"Mules." "Frail of 'em?"

"You bet. I saw one yesterday alonside an old boiler kickin' off the rivet heads one by one. Never missed one. I was just going on shift, and when I saw the mule and heard there was more of 'em inside, I weakened and threw up my job. I've got a wife and three children dependin' on me, and I don't take to

"The worst mule I ever saw," said the other, "was in Pioche some years ago. It was one I owned. One day it rubbed against some pails sticking out of a post, and it turned square around and drove those nais in one by one, naing a single blow of the hoof with the iron shoe on for each pail. It never missed its lick, and a'ways drove 'em just into the head. Then he saw a few tacks on the post a little lower down which were only half oriven in, and he drove them in, too, with light taps of the hoof just as gentle and easy as could be. One day a man came along and set cur a can of pitro glycerine and giant power. He wanted to get the mule to kok it and get killed. I saw him about the corral with the cap, and knew what

"A first I was going to stop him, but then I thought if my mule was any kind of a mule at all he could take care of himsely. So I just warched. Well, the mule saw the can, and walking up smelt of it, and then square him-self for the kick. The man was +0-aking off, and just as the mule was going to kick the can, he cought eight of the feller and changed his posit on so that his tail was toward the man. He lifted his tail just like he was takin' aim, and let fly his right hoot. The can went flying through the air and hit the man square in the rear just as he was gettin' over a tence about a hunured feet away. The thing exploded, and I never saw the man again. But next morning Pat Holland came out in The Record and said that the town had been visited by a shower of

"Mu'es are immense when they git roused." "You bet."
